DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 2, 3, 9, 10, 17, 18 and 20 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 2: lines 9 and 10 are not understood in that the phrase "said other ones" on line 9 has no antecedent basis. It appears that "other ones" should be replaced with -- second rectangular prism pair --.

Similarly, in claim 9, line 8, in claim 10, line 13, and in claim 20, line 11, "other ones" should be replaced with -- second rectangular prism pair --, otherwise "said other ones" has no antecedent basis rendering the claims indefinite.

Claims 3, 17 and 18, depending respectively from claim 2, 9 and 10, inherit the indefiniteness thereof.

Allowable Claims

Claims 1, 4- 8, 11-16 and 19 are allowable.
